"In Your Time"

In your time,

The innocence will fall away.

In your time,

The mission bells will toll.

All along

The corridors and river beds,

There'll be sign

In your time.

Towering waves

Will crash across your southern capes.

Massive storms

Will reach your eastern shores.

Fields of green

Will tumble through your summer days

By design

In your time.

Feel the wind,

And set yourself the bolder course.

Keep your heart

As open as a shrine.

You'll sail the perfect line.

And after all

The dead ends and the lessons learned,

After all

The stars have turned to stone,

There'll be peace

Across the great unbroken void,

All benign,

In your time.

You'll be fine

In your time.
