You always won everytime you placed a bet.

You're still damn good, no one's gotten to you yet.

Everytime they were sure they had you caught,

You were quicker that they thought.

You'd just turn your back and walk.

You always said the cards would never do you wrong.

The trick, you said, was never play the game too long.

A gambler's share, the only risk that you would take,

The only loss you could forsake,

The only bluff you couldn't fake.

And you're still the same.

I caught up with you yesterday (still the same, still the same).

Moving game to game,

No one standing in your way.

Turning on the charm

Long enough to get you by (still the same, still the same).

You're still the same,

You still aim high.

(still the same, still the same)

(still the same, still the same)

There you stood, everybody watched you play.

I just turned and walked away.

I had nothing left to say.

'Cause you're still the same (still the same, baby, baby,
still the
same).

You're still the same (still the same, baby, baby, still the
same).

Moving game to game (still the same, baby, baby, still
the same).

Some things never change (still the same, baby, baby,
still the same).

You're still the same (still the same, baby, baby, still the
same).

Still the same (still the same, baby, baby, still the
same).
