I have loved you only in my mind
But I know that there will come a time
To feel this feeling I have inside
"You're a hopeless romantic" is what they say
Fallin' in and out of love just like a play
Memorizin' each line I still don't know what to say
What to say.
CHORUS:
Don't know what to do whenever you are near
Don't know what to say my heart is floating in tears
When you pass by, I could fly
Every minute, every second of the day
I dream of you in the most special way
You're beside me all the time
All the time.
I have loved you and I always will
Call it crazy but I know someday you'll feel
This feeling I have for you inside
I'm a hopeless romantic, I know I am
Memorize all the lines and here I am
Struggling for words, I still don't know what to say
What to say.
(REPEAT CHORUS)
All the time
All the time
All the time...
