Ain't another woman that could take your spot my love

If I wrote you a symphony  
Just to say how much you mean to me  
(What would you do?)  
If I told you you were beautiful  
Would you date me on the regular?  
(Tell me would you?)

Well baby, I've been around the world  
But I ain't seen myself another girl  
(Like you)  
This ring here represents my heart  
But there's just one thing I need from you  
(Say I do)

Because I could see us holding hands  
Walking on the beach, our clothes in the sand  
I could see us on the countryside  
Sittin' on the grass layin' side by side

You could be my baby  
When I look at my lady  
Girl, you amaze me  
Ain't gotta do nothin' crazy  
See all I want you to do is be

My love, so don't give away  
My love, so don't give away  
My love, so don't give away  
Ain't another woman that can take your spot  
My love, so don't give away  
My love, so don't give away  
My love, so don't give away  
Ain't another woman that can take your spot  
My love, love,  
My love, my love

Now if I wrote you a love note  
And made you sign up every word I wrote  
(What would you do?)  
Would that make you want to change your scene

And want to be the one on my team?  
(Tell me would you?)

See, what's the point in waiting anymore?  
'Cause girl, I never been more sure  
(That baby, it's you)

This ring here represents my heart  
And everything that you've been waiting for  
(Just say it, I do)  
Because

I could see us holding hands  
Walking on the beach, our clothes in the sand  
I could see us on the countryside  
Sittin' on the grass layin' side by side

You could be my baby  
When I look at my lady  
Girl, you amaze me  
Ain't gotta do nothin' crazy  
See all I want you to do is be

My love, so don't give away  
My love, so don't give away  
My love, so don't give away  
Ain't another woman that can take your spot  
My love, so don't give away  
My love, so don't give away  
My love, so don't give away  
Ain't another woman that can take your spot  
My love, love,  
My love, my love

My love  
I could see us holding hands  
Walking on the beach, our clothes in the sand  
I could see us on the countryside  
Sittin' on the grass layin' side by side

You could be my baby  
When I look at my lady  
Girl, you amaze me  
Ain't gotta do nothin' crazy  
See all I want you to do is be

My love, so don't give away  
My love, so don't give away  
My love, so don't give away  
Ain't another woman that can take your spot  
My love, so don't give away

My love, so don't give away  
My love, so don't give away  
Ain't another woman that can take your spot  
My love
