"Are You Ready?"

Visit "[Are You Ready?](#)" on MotoLyrics.com

Remember when we were younger and
Life had no focus
You used to say that all you wanted was
To make a difference
Lately it seems the real world has
Replaced those dreams
And you need to find them

So what are you waiting for?

Hey what if the world would end today?
What if tomorrow never came?
Are you ready? Are you ready?

Now you're twenty-two now look around you
They're all the same
Stumbling through life and time will never
Recall their names
