"These Things Take Time"

If these subtle moments that we've shared are true
They might be the building blocks for me and you
Don't be discouraged if I don't hold you tight
Cause I'm gonna miss you when I leave tonight

And you'll ask me, "Why don't you love me?"
And I'll try so hard to explain
And I'll just smile my dear and I'll tell you,
"These things take time" oh these things take time"

All these things take time don't you know
Love is always best when it's slow.

I'm setting my watch to get this timing right
Before I love you at the speed of light
Don't come unglued if all this wait seems unfair
Cause you'll be the first to know when we are there

And you'll ask me, "Why don't you love me?"
And I'll try so hard to explain
And I'll just smile my dear and I'll tell you
"These things take time" oh these things take time"

All these things take time. Don't you know
Love is always best when it's slow
