"Turn It Up"

Another signal's silenced
To please the corporate crowd
They say the hip-hop's in now
And rock is all played out

Rock and roll where did you go?
Are the airwaves empty?
The volume's down can't hear a sound
So why don't weâ€¦

Turn it up
Turn it up now

Well tell me can you hear them
And is it true what they say
Have we let big business
Take our music away

Rock and roll how will we know
You aren't just a memory?
The volume's down can't hear a sound
So why don't weâ€¦

Turn it up
Turn it up now

Check one, Check two
Check again there's nothing new
The numbers on this dial have all but faded
But we know, It's not you
Rock and roll will be back soon
The rumors of your death were overstated
