(strings & winds)

The Fireworks, when you sleep
The long side fills your majesty
The fireworks, when you sleep

Old and like a song
Soon you will be
Assorted with the law
Compelled to speak
Old and like a Song
Soon you will be
Assorted with the law
Compelled to Speak

The Fireworks, when you sleep
The long side fills your majesty
The fireworks, when you sleep

Old and like a song
Soon you will be
Assorted with the law
Compelled to speak
Old and like a Song
Soon you will be
Assorted with the law
Assorted with the law
Assorted with the law
