Light and day  
is more than you'll say

'Cause all  
my feelings are more  
than I can let by  
or not  
more than you've got  
Just follow the day...  
follow the day and reach for the sun!

You don't see me flyin to the red  
one more you're done  
Just follow the seasons and find the time  
reach for the bright side  
You don't see me flyin to the red  
one more you're nuts  
Just follow the day...  
follow the day and reach for the sun!

Just follow the day...  
follow the day and reach for the sun!

You don't see me flyin to the red  
one more you're done  
Just follow the seasons and find the time  
reach for the bright side  
You don't see me flyin to the red  
one more you're nuts  
Just follow the day...  
follow the day and reach for the sun!

Just follow the day...  
follow the day and reach for the sun!  
Just follow the day...  
follow the day and reach for the sun!
