She said goodbye to all the lights
That make her seem to glow
Her hair parades for him to stay
But he decides to go
He makes his way in subtle plays
Sometimes he says hello
It takes him days to move her way
She knows it's time to go

'Cause time doesn't go along the way now
She sits right down to find the one man show

It's a beautiful day
It's time to leave somebody

The house is bold and so much colder
Than nights they'd ever known
She bends her knees and tries to scream
And says it's time to go
She moves her lips, her words are gifts
He stares as she lets go
And trades a space for her new place
In a world she longs to know

'Cause time doesn't go along the way now
She sits right down

'Cause time doesn't go along the way now
She sits right down to find the one man show

It's a beautiful day
It's time to leave somebody

It means a lot to find it so easy
It takes a lot to find yourself way down
It means a lot to find it so easy
And it takes a lot to find yourself way down
