We try  
We crawl  
We live  
We're small

We're stuck in a monday, it's telling me someday  
We're gonna be fine  
I know it's all moving  
Can't tell if I'm losing  
The love of my life

We try  
We crawl  
We live  
We're small

I know that were broken  
It's been unspoken for such a long time  
It's scarier weather when we live together  
I know that well be just fine

We try  
To crawl  
To live  
To grow

On our way, today  
Day after day  
We try hard  
We, crawl far

On our way, today  
Day after day

I know that its better, when we stick together  
Our love is alive

Through ups and down of facing each other  
Together were better together well find

We try

To crawl  
(Together)  
To live  
To know  
(Better together)
