Love, in a mixed up time
It's hard to know which way to go
I should never forget
(Sometimes the best is left unsaid)

Everyone needs them a light they can follow
(Sometimes the best is left unsaid)

Everyone needs them a light they can follow
(Sometimes the best is left unsaid)

Love is a mixed up smile
You never know, which way to go
We should never forget
Everyone feels their luck is going bad
Sometimes the rest is left unsaid

Everyone needs them a light they can follow
Everyone needs them a light they can follow

Ohh, we feel so alive
Going backwards
Ohh, we feel so alive
Going backwards

Ohh, we feel so alive
Going backwards

Ya never know, which way to go
Sometimes
It's hard to know, which way to go
Ya never know, which way to go
Sometimes

We make a mess
Ten times before
We should never forget
Everyone feels their luck is going bad
Sometimes the best is left unsaid

Everyone needs them a light they can follow

(Going backwards)

Everyone needs them a light they can follow
(They feel so alive going backwards)

Everyone needs them a light they can follow
(Feel so alive, going backwards)

Love in a mixed up time
It's hard to know
Ten times before
We should never forget
