I found my...
She's so far...
She makes my head...

I found my Soldier Girl
She's so far away
She makes my head spin around

I found my Soldier Girl
She's so far away (so far away)
She makes my head spin around (spin around)

I found my Soldier Girl
She's so far away (so far away) So far away
She makes my head spin around (spin around)

I found my Soldier Girl
(She is my soldier girl)
She's so far away (so far away)
(She is so far away)
She makes my head spin around (spin around)

I found my Soldier Girl
(She is my soldier girl)
She's so far away (so far away)
(She is so far away)
She makes my head...

She makes my head...

She makes my head...
