I've been wasting my
I've been wasting my
I've been wasting my time
Makes me glad I found you
Glad I found you

I've been wasting my
I've been wasting my
I've been wasting my time
Makes me glad I found you
Glad I found you

It's the way that I can feel it,
The way that I can feel it
No sense of me [x4]
It's the way that I can feel it,
The way that I can feel it

I can...Please me girl!
Please me girl,
Please me for a while.

If I can...Please me girl!
Please me girl,
Please me for a while.

Come on and please me girl
Please me girl,
Please me for a while.

Come on and please me girl
Please me girl,
Please me baby

All I want to be

I've been wasting my
I've been wasting my
I've been wasting my time
Makes me glad I found you
Glad I found you

I've been wasting my
I've been wasting my
I've been wasting my time
Makes me glad I found you
Glad I found you

It's the way that I can feel it,
The way that I can feel it
No sense of me [x4]
It's the way that I can feel it,
The way that I can feel it

I can...Please me girl!
Please me girl,
Please me for a while.

If I can...Please me girl!
Please me girl,
Please me for a while.

Come on and please me girl
Please me girl,
Please me for a while.

Come on and please me girl
Please me girl,
Please me baby

All I want to be

I can...Please me girl!
I can...Please me girl!

Come on and please me
Please me
Please me baby
[x3]

All I want to be
