(Selena talk part):

Sometimes at night when I go to sleep I  
Hold my pillow tight, thinking of you  
'Til it hurts - but in my mind I know you're mine  
And somewhere you're thinking of me too

(Full Force):

I miss you, thinking of you  
You're always on my mind

(Selena 1st verse):

You're always on my mind, day and night  
When I think of you, everything feels so right  
Well, I often think of the happy times we spent together  
And I just can't wait to tell you  
That I love you

(Selena 2nd verse):

Time keeps passing by (you're not here) I feel so all  
alone  
When I don't have you near  
But I often think of the happy times we spent together  
and I just can't wait  
To tell you that I love you

(Selena and Full Force chorus):

I'm missing me baby, missing my baby  
I wanna hold you tight, and never let you out of my  
sight  
Missing my baby, missing my baby  
I gotta feel your heart beat next to mine  
Gotta feel it (feel it)

(Selena):

Repeat 2nd verse  
Repeat chorus

(Full Force):

Thinking of you, is all I do, it's the next best thing  
To being with you and baby - hey

(Selena and Full Force):

Gotta have you (have you), gotta hold you (hold you)

Got to have your lovin' (I gotta have you)

(Selena):

And tell you that I love you

And I really miss you

(I miss you)

(Chorus repeat)

I miss you, thinking of you

You're always on my mind
