Emotionally drained

A black cloud is coming down to be my guide

And it will tell me things

About the facts of life and how to survive

Sometimes I feel like killing myself

Let's get together, we'll kill ourselves

I'm full of rage

The song of violence sings inside of my mind

And it will tell me things

About the pain of life and how the sad will die

Sometimes I feel like killing myself

Let's get together, we'll kill ourselves

We'll kill ourselves

A tragic tale

How the devil laid his hands over my eyes

And he will tell me things

About the afterlife and all the hidden cries

Sometimes I feel like killing myself

Let's get together, we'll kill ourselves

We'll kill ourselves, we'll kill ourselves

We'll kill ourselves, we'll kill ourselves
