If you need a shoulder to cry on call me

There's no guarantee

That you'll like what you see

I'm looking for answers I know

But memories come

Just as soon as they go

Turn back the clock of your heart

And in the wild strawberry park

We grew up apart

But together at heart

And in a while years soon fly by

You let out a sigh

Wipe the tears from your eye

Memories are not what they seem

You can redeem your perfect dream

And finally you see the light

When you turn your back, you lose the fight

Turn back the clock of your heart
