I've got nothing to do for the rest of the day,  
So do you want to hang around with me?  
I've got nothing to do, so what do you say,  
And do you you want to hang around with me?  
It's not an offer, I make lightly,  
It's not a thing that, I feel slightly.

(Chorus)

I've got nothing but time,  
I've got nothing but time on my hands,  
Do you want to hang around with me?  
I've got nothing but time,  
I've nothing but time on my hands,  
Do you want to hang around with me?  
I've got nowhere to be, I've got nowhere to go,  
Do you want to hang around with me?  
It's nothing to me, but what do you know?  
And do you want to hang around with me?  
Cause I'm not saying, I love you dearly no,  
All I'm saying is, I want you near me.

'Cause I have never, had so much fun and,  
I have never seen a face like your one.
