I love a girl named Kate  
who holds my hand  
and determines my fate  
She makes me feel  
like no one has ever done  
i can't believe she's real  
can't believe all the fun  
Kate is my love  
was she sent from above?  
i don't know, and i don't care  
all i can do is stare, because  
Kate is my love  
and i don't know what to do  
i've never felt like this  
this kind of love is very new  
Kate is my love  
Kate is my love  
I love her a lot  
can't believe what i've got  
Kate is my love
