I love myself, I wanna live  
So what, I'm so dumb  
I'm not great but I'm good enough  
I'm all or something, never none  
I'm almost, not close  
I'll make it matter, I'll make the most  
I wanna be too much  
I wanna be not enough  
While you burn that bridge I'll be blowing it up.

I could care more, you could care less.  
You play musical mattress  
You're bouncing back and forth  
Trying to warp, you're going nowhere slow.

I'm perfect, I feel sick  
I love myself, I wanna live  
I wanna be too much  
I wanna be not enough  
While you burn that bridge I'll be blowing it up.

I could care more, you could care less  
You play musical mattress  
You're bouncing back and forth  
Trying to warp, you're going nowhere slow, nowhere  
slow.

Your mother had a miscarriage that lived  
Always, never, now and then  
So what, where, when  
You can plug your ears, I don't mind.  
I'm just here to waste your time.  
Remind me to be surprised.

I could care more, you could care less.  
You play musical mattress  
You're bouncing back and forth  
Trying to warp, you're going nowhere slow

There's nothing left for me to say.  
There's no one out there listening.

Life is always fair, you're here, I'm there,  
We're going nowhere.  
It's ok, I'm lame, I don't care  
So what, where, when.
