I wanna sell out, become a clown
Paint a big red smile over this frown
Irate, I can't think straight
I can't comprehend, I can't concentrate
Irate, I can't think straight
It feels good, I feel great, it feels good, oh, oh

You struck coal and thought it was gold
Held it up and watched it glitter and glow
Irate, I can't think straight
I can't comprehend I can't concentrate
Irate, I can't think straight
It feels good, it feels great, I feel good, oh, oh
(You struck coal and thought it was gold.)

Maybe we won't go
Think I'm going solo
There's too many people, there's too many people
And maybe we won't go
Think I'm going solo
There's too many people, there's too many people and

It's not my fault that it's all your fault, no
It's not my fault that it's all your fault, no
It's not my fault that it's all your fault, no
It's not my fault that it's all your fault, no
It's not my fault that it's all your fault, no
It's not my fault that it's all your fault, no
It's not my fault that it's all your dault, no
It's not my fault

Maybe we won't go
Think I'm going solo
There's too many people, there's too many people
And maybe we won't go
Think I'm going solo
There's too many people, there's too many people

It's not my fault that it's all your fault, no
It's not my fault that it's all your fault, no
It's not my fault that it's all your fault, no

It's not my fault that it's all your fault, no (it's not my fault!)

It's not my fault that it's all your fault, no (it's not my fault!)

It's not my fault that it's all your fault, no (it's not my fault!)

(There's too many people)

It's not my fault that it's all your fault, no (it's not my fault!)

It's not my fault that it's all your fault, no (it's not my fault!)
