You say I am a nuisance, you say I bring you down
You say I'm always in the way and you wish I weren't
around
You came to me screaming, you asked me if I would
So I'm giving you your space, this time for good

You show me things I never seen before
And when I'm gone I hope you like it more
'Cause by sun-up I'll be moving on and walking out that
door
And I won't be in your way no more

Well I steer clear of you when you're angry and pray 'til
you're good again
You're mean as can be 'cause you hate me but you're
my best friend
I wish I could make you happy, wish I could calm your
nerve
Wish I coulda given you everything you deserve

You show me things I never seen before
And when I'm gone I hope you like it more
'Cause by sunup I'll be moving on and walking out that
door
And I won't be in your way no more
Said I won't be in your way no more
