I'll be your trampoline
You can jump up and down on me
Myself and I won't mind it
Just as long as you feel like it.
Well I'll be your souvenir,
Reminding you you were once here
Just in case you forget.
On a shelf in your closet
Well, isn't that what you wanted to hear?
Oh, isn't that, isn't that, isn't that what you wished for?
Just because you're digging
It doesn't mean, it doesn't mean you're deep
I bet you thought it did.
But you're still the same dumb kid.
And just because you're swimming,
It doesn't mean that you won't sink.
And you think it makes no sense.
You're drowning in your ignorance.
I know that's not what you wanted to hear.
I know that's not what you had in mind.
Yeah I know that's not what wanted to hear.
Oh I know that's not what you had in mind.

Oh, oh no, oh, oh no, oh yeah! Oh! Woo!

I been pulling flowers and planting weeds.
I'm deciduous, you're evergreen.
Unlike you, I lose my leaves.
'Cause you're missing it, you're losing track
Of the shadows stabbing you in the back
From where you stand, in the corner of the room.
Tell me who, tell me how, tell me why, tell me when
Tell me what season are you living in?
Tell me what you've done and where you've been.
Yeah, kick the bucket, I'm kicking junk.
I was unsinkable until I sunk.
I lost moderation and direction
I'm making up for time well wasted.
I know that's not what you wanted to hear.
Oh no that's not what you had in mind.
Yeah I know that's not what wanted to hear.

Oh I know that's not what you had in mind.

Oh, oh no, oh, oh no

Oh, oh no, oh, oh no, yeah
