Hey! Hey, my name is Burrito! Hey! What the hell? I
don't have a
body! What happened to me? I have no body! I'm
wearing a fucking bike
helmet! My nose is taped to my face! What the hell?
What is this?
Hey! Who the hell are you? What the are you doing
here? Stop staring
at me. Stop it, you fucking freak! You fucking cock-
sucker. What the
fuck is your problem? Stop looking at me! Go away,
fuck-head.
When I had a body, I used to lick my balls. They were
hairy. Hey! I
used to live in Quina Vacahs. My ass will always be in
Quina Vacahs,
but my feet, I don't know where the fuck my feet are
because I don't
have a body. What happened to my body?
Hey baby! Want to lick my face? I don't have a dick, but
you want to
lick my face? It tastes like a dick.
Hey cock-sucker! What the fuck are you doing? Hey!
Don't touch my
face, bitch! I'll fucking kick your ass, oh wait, I'll bite
your nose
off, asshole.
I used to be a pimp, when I had a body. All the bitches
would jump on
my cock. Then one day, I got hit by a car, it fucking
broke my nose.
My mother was a fat jackass. I used to ride her to town,
fucking bitch.
When I had a body, I used to have sex with dogs.
Who the fuck are you? You look like a fucking Mary
Anet fuck head!
Hey you know what? I fucked Monica Lewinsky. Me and
the president, we
got it on, bitch! You know, have you ever been into the
Lincoln
Bedroom? It's fucking awesome! There's cum stains all

over the bed.
Hey! Do you have a cat? I used to have a cat. I fucked it
up the ass.
One day, I was doing my cat, and it got stuck! It ripped
my to shreds!
Maybe that is what happened to my body? I've been in
a fucking coma for
twenty years, and I wake up and I don't have a body!
What the.
Hey! Hey! Scratch my chin. It itches! Go ahead, scratch
it, I'm not
going to bite you. Oh yeah, that's it! OHHH-HO-HOH.
OHHHHH-HOOOOOO-HOE-HO-HO-HO. Hey! Sorry about
that. The strap fucking
chafes me. The strap chafes me chin, man.
Once I had a goose. But we ate it for dinner. I kept its
bung hole,
though. I still have it, where ever my fucking body is!
Hey! Hey! You over there! Come scratch my chin, man!
Hey--Hey--Hey--Hey, guess what? You know you touch
my face, I got
poison ivy bitch! I got hemorrhoids on my fucking face.
How do you
like that?
I was raped in the mouth by Billy.
Hey! Have you ever since a cow do it? It's fucking sick.
It looks
like two amebas getting it on.
Hey, you know what? I saw my sister screwing a cat
once. It's fucking
sick.
