

Poor Moon

"Come Home"

Won't you come see me
In the summer
Bright warm light?

Late in the evening
Come quickly
Don't waste time

One day
You will say the right words
Same as I remember
Speak to me

I'm coming home
I'm coming home
I'm coming home

Won't you come see me?
September burned red sky
Won't you come quickly?
November, you just might
Someday with a declaration
A meeting at the station
Say to me

I'm coming home
I'm coming home
I'm coming home

Come home
Come home

Won't you come see me
In the summer
Bright warm light?

Late in the evening
Come quickly
Don't waste time

I'm coming home
