Deep in my soul
Love so strong
It takes control

Now we both know
The secrets bared
The feelings show

Driven far apart
I'll make a wish
On a shooting star

There will come a day
Somewhere far away
In your arms I'll stay
My only love

Even though you're gone
Love will still live on
The feeling is so strong
My only love
My only love

There will come a day
Somewhere far away
In your arms I'll stay
My only love

You've reached the deepest part
Of the secret in my heart
I've known it from the start
My only love

There will come a day
Somewhere far away
In your arms I'll stay
My only love

You've reached the deepest part
Of the secret in my heart
I've known it from the start

My only love
My only love
