## Wednesday 13 "Buried By Christmas"

Merry Christmas, ho ho ho
I'll be six feet under the snow
Jingle bells along the way
I'm a dead motherfucker and I'm counting my days
I've been too naughty, I forgot to be nice
I guess violence is my vice
So check your list Santa and check it twice
I'm a dead motherfucker all right

I'll be buried by Christmas
Yeah, yeah

(All I want for Christmas is a custom fit casket with black velvet interior... Oh yeah, and a bucket of chicken)

Seasons beatings and a jolly farewell By Christmas Eve, I'll be rotting so well In a one horse open sleigh Straight to hell laughing all the way

I've been too naughty, I forgot to be nice I guess violence is my vice So check your list Santa and check it twice I'm a dead motherfucker all right

I'll be buried by Christmas
Yeah, yeah

(Santa, if you're out there, and you can hear me, your fat ass better have me a freshly dug grave)

I'll be buried by Christmas
Yeah, yeah
