"Falling"

It's cold inside tonight
Separated from you
It's hard to find the light
And the warmth that I was due
You insisted you were right
Instead we fell apart
Now behold the sign
Of my self-abandoned heart
Cause I'm...

Chorus:

Falling back to you
It's all I need to do
Falling back to you
You're all that I've consumed
Well I accept the blame
Of painful residue
Can't we be the same
Oh yea the same
With the warmth that I was due
Chorus
