Gimme Gimme Bloodshed
Gimme Gimme Hell Yea

Open your eye's sweet mary jane
Take a look around
Your miles away from anyone
And no one can hear a sound
And your kna-kna-knocking at the heavy door while
Your chained to a dirty floor Yea
Your sunshine just got lower into an early grave

Gimme Gimme Bloodshed
Gimme Gimme Hell Yea
Gimme Gimme Blood she'd
Oh Yea (x2)

Your blood is red sweet mary jane and you know it's
true
It's dripping from your body and it's filling up this room
And your scream scream screaming but no one hears a
thing
Because your locked away
And your sunshine just got lower into into an early
grave

Gimme Gimme Bloodshed
Gimme Gimme Hell Yea
Gimme Gimme Blood she'd
Oh Yea (x4)

I have a confession
I have a perfect weapon
Mortality is my affection
And I can never get enough, Uh!

(Whispers)
Gimme Gimme Bloodshed
Gimme Gimme Hell Yea
Gimme Gimme Blood she'd

Gimme Gimme Bloodshed
Gimme Gimme Hell Yea

Gimme Gimme Blood she'd
Oh Yea (x4)
