"Take Me Home"

Visit "[Take Me Home](#)" on MotoLyrics.com

It's midnight and everything's gone now
Hasn't been too long since I had everything I've wanted
They said it wouldn't last
It was stolen from my hand
Of my past
I wish I could take it back now..
Chorus:
But it's over
And there's no good reason to be here
Take me home
And there's no one left to meet here
Take me home
And there's no better to leave here
Take me home
It's time and I'm alone now
I remember looking forward to this day approaching
I don't like looking back
You just seem so far away to catch
I don't want to go back now
Chorus
Get up
Grab your destiny
It's time to set me free yeah
And that used to be me
But now he's gone
Chorus
