Wednesday 13 - Thank You Satan Lyrics

You made me realize that life was worth living - so i
gave it one more try
All my faith I put in you, time after time you proved
yourself so true
You're the devil, take off the D it spells evil and that
make me so happy
All your words they give me strength and i'm e-v-i-l
confident

I believe in a lot of things...
And i believe the devil's alright with me

You're the gift that keeps on giving... Thank you Satan
You made my life worth living... Thank you Satan
You made all my dreams come true... Thank you Satan
You know Satan, I love you... Thank you Satan

Everyday i look in the mirror and everything becomes
so much clearer
You're the reason for the season and it's true S-A-T-A-N
I love you
Don't go to heaven, go to hell it's more fun and they'll
treat you really well
If you believe you can succeed I'm living proof now look
at me

I believe in a lot of things...
And i believe the devil's alright with me

You're the gift that keeps on giving... Thank you Satan
You made my life worth living... Thank you Satan
You made all my dreams come true... Thank you Satan
You know Satan, I love you... Thank you Satan.
