So you want to start a new life  
That's ok  
Go regain your independence  
And fly  
A result so ugly  
A process so beautiful  
Go and throw it all away  
And I'll be fine  
Just as long as you

Chorus:

Don't say it  
Unless you mean it  
Don't say it  
Don't say you love me

Human love has got a shelf life  
It gets stale  
A born on date an expiration  
In time

Synchronize watches  
Set the alarm  
As you leave I'll hold the door with a smile  
Just as long as you

Somebody told me that love falls like rain  
Sooner or later it comes back down again  
In vicious way
