gonna tell you all a story  
about a girl who's just informed me  
that all she needs to love me  
is a quiet peaceful day

she don't need no shiny diamonds  
or a fancy car to drive in  
she just needs me there beside her  
on a quiet peaceful day

she loves me better than you  
and i'm dying to tell all the world  
she loves me better than you  
and i'm going to tell all the world

gonna tell you all a story  
about a girl who's just informed me  
that she's leaving me this morning  
it's a quiet peaceful day

she'll be leaving with her new boy  
wearing brand new shiny diamonds  
they'll drive off into the sunrise  
in a new mercedes-benz

did i tell you all a story  
about a boy who's feeling lonely  
always dreaming up these stories  
on a quiet peaceful day
