Heard that you are new in town
Someone said you party down
Well, later I'll be comin' round
We'll rack 'em up and suck 'em down

Don't call your mother - don't call your priest
Don't call your doctor - call the police
You bring the razor blade - I'll bring the speed
Take off your coat - it's gonna be a long night

There'll be no 2nd chance for you
Tomorrow you'll be black and blue
Show your friends your new tattoo
911 won't help you, fool

You're gonna suffer - you're gonna bleed
I've heard it all before - you will concede
I'm takin' everything - you're goin' down
Lock up the doors - it's gonna be a long night

It's gonna be a long night - it's gonna be a catfight
It's gonna be a gang-bang
