Morgan's pain succumbs to the frame
In a zany combination of Wayne's pet youngin'
Astral plane conversing lame
In a zany combination of Wayne's pet youngin'

A stained pane drownin' out the rain
In a zany combination of Wayne's pet youngin'
You name the game and I'll bring Dwayne
And Roger and Rerun to Wayne's pet youngin'

Rerun's brain - confetti stain
In a zany combination of Wayne's pet youngin'
What's your name? Are you glad you came?
But would you die in the name of Wayne's pet
youngin'?
Yes I would! Aaaahhhh!

Ahahahahahahaha!
Ahahahahahahaha!
Ha ha!
