Please would you like to be somewhere floating free?
Seems my destiny.
Captain Fantasy.
Take a minute to go down beneath the reaches of
sound.
You could be with me.
Captain Fantasy.

And when I'm there, I'm here.
And when you're near, I'm there.
The only words of your life.
Captain Fantasy.
And when I'm here, I'm there.
And when you're near, I'm here.
The only words of your life.
Captain Fantasy.

Please would you like to be somewhere floating free?
Seems my destiny.
Captain Fantasy.
So take a minute to go down beneath the reaches of
sound.
You could be with me.
Captain Fantasy.
And when I'm there, I'm here.
And when you're near, I'm there.
The only words of your life.
Captain Fantasy.
And when I'm here, I'm there.
And when you're near, I'm here.
The only words of your life.
Captain Fantasy.

Wow! Yowww! Fantasy. Fantasy.

So please would you like to be somewhere floating
free?
Seems my destiny.
Captain Fantasy.
So take a minute to go down beneath the reaches of
sound.
You could be with me.

Captain Fantasy.
Captain Fantasy.
