Try modulating and articulating
All the feelings that I have for you
Dr. Rock, help me out for I need to shout it
Dr. Rock, quickly Derek run and get your mammy

There is no denying that you been supplying
In a slathering ball of flesh
Dr. Rock, the light of death is gonna shine again
Dr. Rock, and I'll let you in the notes

Don't conceal your tragic flaw
Give the Dr. Rock a call
Dr. Rock, come quickly to see the scene
Dr. Rock, got everything that you need

You're the apple of my eye
But with some aid I feel you'll die
Dr. Rock, save the soul from a bottomless pit
Dr. Rock, and see what you can make of it

You like the
You like the suffocating on a small crustation
As you hammered your way to the truth
Dr. Rock, was examined by an Indian eye
Dr. Rock, another lie that you're going to die

Don't try modulating and articulating
All the feelings that I have for you
Dr. Rock, help me out for I need to shout it
Dr. Rock, quick Derek run, get your mammy
