I guess it's somethin' in my brain  
I need whiskey to ease the pain  
But it's early in the mornin'  
And I'm feelin' bad again

But if you ever loved me  
You'll go easy on me now  
Fix me up a cup of coffee  
And in a while I'll come around

I think I spent the dog-food money  
But he'll love me just the same  
And if you really love me baby  
Help me scrape the mucus off my brain

It's a shame when morning hurts  
I've seen bad and I've seen worse  
It's the nature of my bein'  
I took some money from your purse

And that French man loves to part  
And I know he's not to blame  
But the way you're lookin' at me baby  
I just can't help but feel the shame

I think I spent the dog-food money  
But he'll love me just the same  
And if you really love me baby  
Help me scrape the mucus off my brain

If you really love me baby  
Help me scrape the mucus off my brain
