"I Can't Put My Finger On It"

Visit "[I Can't Put My Finger On It](#)" on MotoLyrics.com

Is it alive? Does it writhe?
Can it survive under the sun?

I can't put my finger on it

Is it green? Is it red?
Is it alive or is it dead?

I can't put my finger on it

Scathe with a lathe
All the days in the past

I can't put my finger on it

Is it brown? Is it white?
Is it really out of sight?

I can't put my finger on it

Can it squeal, does it squirm?
If it's fresh, will it burn?

I can't put my finger on it

Can it fly? Will it try
If the wings are still wet?

I can't put my finger on it

Can it heal? Is it real?
Can it feel the threads of time?

I can't put my finger on it

Does it glow, will it shine?
Does it leave a trail of slime?

I can't put my finger on it

I said, "Are you surprised when I touch the dwarf
inside?"

I said, "Are you surprised when I touch the dwarf
inside?"

Are you surprised when I touch the dwarf inside?
Are you surprised when I touch the dwarf inside?

Is it alive, does it writhe?
Can it survive under the sun?

I can't put my finger on it

Is it green? Is it red?
Is it alive or is it dead?

I can't put my finger on it

Scathe with a lathe
All the days in the past

I can't put my finger on it

Is it brown? Is it white?
Is it really out of sight?

I can't put my finger on it
