heard that you are new in town
someone said you party down
well later i'll be coming round
we'll rack'em up and suck'em down

don't call your mother, don't call your priest
don't call your doctor, call the police
you bring the razorblade i'll bring the speed
take off your coat its gunna be a long night
they'll be no second chance for you
tomorrow you'll be black and blue
show your friends your new tattoo
and 911 won't help you fool

your gunna suffer your gunna bleed
i heard it all before you will conceed
i take it everyday your going down
lock up the doors its gunna be a long nite
its gunna be a long nite
its gunna be a cat fight
its gunna be a gangbang
