Learnin' to love, lovin' to learn
A handicap at the home turn
The key horse on the highway
Lay it off in the length
The listed race was a long shot

Dupe, dupe, duple it, duple it, duple it
Duple it, duple it, duple it, duple it
Dupe, dupe, duple it, duple it, duple it
Duple it, duple it, duple it, duple it, doo

Part wheel on the pasteboard
A penalty for the point spread
Ran post time on the scratch sheet
A roughy was a ringer in the return

Learnin' to love, lovin' to learn
Single stakes on the short price
A spot play in the stretch turn
A sure thing for the tipster
With true odds on the weigh-in

Dupe, dupe, duple it, duple it, duple it
Duple it, duple it, duple it, duple it
Dupe, dupe, duple it, duple it, duple it
Duple it, duple it, duple it, duple it
Dupe, dupe, duple it, duple it, duple it
Duple it, duple it, duple it, duple it, doo

Learnin' to love, lovin' to learn
A combo bet for the dead heat
A bug boy ran a bull ring
There's a dead track at the derby
With a dual forecast on the dime

Dupe, dupe, duple it, duple it, duple it
Duple it, duple it, duple it, duple it
Dupe, dupe, duple it, duple it, duple it
Duple it, duple it, duple it, duple it
Dupe, dupe, duple it, duple it, duple it
Duple it, duple it, duple it, duple it, doo

Bearin' in on the bell lap
Bettin' board shows a sure win
A bookie boxed on the bobble
I made a blind bet in the black type
Learnin' to love, lovin' to learn
