I got a good friend knows to get the good peach pie
On Long Beach Island
He's got the tunes cranked up and now I'm feelin' high
On Long Beach Island

Dark and stormy got the clams on the grill
And the tuna's cooked just right
My baby's sleepin' and it's way past twelve
I'm gonna go all night

Gonna be another witness to a moonlight dive
On Long Beach Island
Though you had a bit to drink I know you'll stay alive
On Long Beach Island
Gonna wake up at nine a.m.
And gonna have some breakfast with my baby again
Drink some coffee
Get back to the house
Put on my suit and I'ma dive on out

Got a good friend knows to get the good peach pie
On Long Beach Island
He got the tunes cranked up and now I'm feelin' high
On Long Beach Island
