Loving u thru it all

Thick and thin  
Bad and good, sun and rain  
And the sun, and the sun, and the rain

Loving u thru it all

Rain and snow  
Sun and rain  
Thick and thin, bad and good

Loving u, loving u  
Loving u thru it all

Thick and thin, good and bad  
Sun and rain, rain and sun  
Sun and rain, rain and sun

Loving u thru it all  
Loving u thru it all  
Loving u thru it all  
Loving u thru it all  
Thru it all  
Loving u thru it all

Thick and thin  
Good and bad, sun and rain  
Good and bad

Loving u thru it all  
Loving u thru it all

Thick and thin, bad and good  
Sun and rain

Loving u  
Loving u thru it all  
Loving u thru it all  
Loving u 'til the end
