Old Queen Cole, gotsta take control  
You drinkin' whiskey and wine and it tastes just fine  
For you now Nicki, life is gettin' tricky  
And you're runnin' outta gas, drivin' way too fast

Full throttle in gear, tryin' hard to steer you  
Toward immaculate conception, heavy metal  
perception  
There's a world that's all around you and no one will  
ever find you  
For you that's okay 'cause tomorrow's just another day

Rock, roll, butter, bread, remember what yo' mama  
said  
Hey, it's just yo' life, why don't you find the biggest  
knife  
You can find now baby, yeah, you actin' like a lady  
You got blood on your pants and I know that you can  
dance

Queen cole, Queen Cole, gotsta take control  
You drinkin' whiskey and wine and it tastes just fine  
For you now Nicki, life is gettin' tricky  
And you're runnin' outta gas, drivin' way too fast

Queen cole, Queen Cole, gotsta take control  
You drinkin' whiskey and wine and it tastes just fine  
For you now Nicki, life is gettin' tricky  
And you're runnin' outta gas, drivin' way too fast
