What will happen when I die  
Will I pay for all My crimes  
Because sometimes I did fail, although I tried to try  
Will You remember me this way  
Or will the picture change  
It's too late to go back; oh it's much too late  
When I was young I didn't care, I was busy crawling  
down the stairs  
With the voice I thought was mine  
I didn't sing, I mime two words that almost rime  
Well those were confusing times  
Will You remember Me this way or will the picture  
change  
It's too late to go back; oh it's much too late  
When I was young I didn't care, I was busy crawling  
down the stairs  
Please don't forget Me when I'm gone, 'cause my life  
must have some work  
And please forgive me if im wrong  
'cause I didn't mean to be all wrong  
I didn't mean to be  
No, I didn't mean to be  
I didn't mean to be all wrong  
I didn't mean to be  
I didn't mean to be  
No I didn't mean to be
