Voodoo lady, shakin' that stick and drivin' me crazy  
Your eyes look red and hazy  
Doin' that stuff that you do  
Messin' me up with your voodoo

You drive me crazy with that  
Boogie oogie oogie oogie oogie oogie oogie  
You drive me crazy with that  
Boogie boogie boogie

Your lips are hot and spicy  
Servin' up red beans and rice, yeah  
At midnite she's a-howlin' and stompin'  
Makin' love to the gators in the swampin', now

You drive me crazy with that  
Boogie oogie oogie oogie oogie oogie oogie  
You drive me crazy with that  
Boogie boogie boogie

I feel you now inside me  
Never once did you deny me  
Doin' that stuff that you do  
Messin' me out with your voodoo

You drive me crazy with that  
Boogie oogie oogie oogie oogie oogie oogie  
You drive me crazy with that  
Boogie boogie boogie

Voodoo lady, shakin' that stick, drivin' me crazy  
Voodoo lady, oh yeah

Ohh  
Yeah, baby  
That's cool

Voodoo lady, shakin' that stick and drivin' me crazy  
Your eyes look red and hazy  
Doin' that stuff that you do  
Knockin' me up with your voodoo

You drive me crazy with that  
Boogie oogie oogie oogie oogie oogie oogie  
You drive me crazy with that  
Boogie boogie boogie, yeah
