Strong, wise, underrated, sterilized. Scared, warm,
jaded, alive.

Born, fought, fooled, torn, wrought, ruled. Biting.
Craving.

Seen, sung, soothed. Heard, felt, moved. Brave.
Ashamed.

Beautiful and ugly, heroes and hungry. Humorous. Us.
Us.

Enemies and lovers, cloven and oneness. Humor Us.
Us. Us.

Free, fleshed, curious, capable. Sweet, blessed,
envious, irresponsible.

(Way, way, way)

Crowned, rare, rude. Burnt, bare, cool. Honest,
maniacal.

Slaves, half, used. Sleek, scarred, nude. Noble. Costly.

Stagnant and stunning, graceful and cunning.
Humorous. Us. Us.

Logical and clumsy, vengeful and loving. Humor Us.
Us. Us. Us.

"Seven hundred." her tiny voice rubboned through the
air ...

.. The guests sat awkwardly in Tillard chairs etched with
gold, sucking in

the chilling brilliance of an embarrassed silence.

Born, fought, fooled, torn, wrought, ruled. Biting.
Craving
