Words by Larry Morey

Music by Frank Churchill

Just whistle while you work.

Put on that grin and start right in

to whistle loud and long.

Just hum a merry song.

Just do your best then take a rest

and sing yourself a song.

When there's too much to do,

don't let it bother you.

Forget your troubles,

try to be just like a cheerful chickadee.

And whistle while you work

Come on, get smart, tune up and start

to whistle while you work.
