Not Just Boy's Fun" by 7Seconds off of "The Crew"

Man you gotta problem, who made you fucking' king

a macho pig with nothing in your head

No girls around you, their place is not at gigs

Don't want them on the dance floor, cos they're week

A woman's place, the kitchen, on her back.

It's time to change that attitude and quick.

SHowing us your phobias, cos your scared to see 'em
think

You'd rather dress them up in pretty lace

All nice and colored pink

You feel so fucking threatened

When they stand out in front

A stupid passive peice of meat is all you want

But it's not just boys fun!

There's girls who put out fanzines and others put on
shows

Yet they're not allowed to get out on the floor

Some make the music, well that you can except

Hell maybe live you'll get some tits and ass

You fucking moron your brains have run a muck

a girls only role in life is not to fuck.

I dedicate that to Clay "Here babe hold my guitar while
I mosh!" Snider
