Aiyyo sweetie, you're lookin kinda pretty  
What's a girl like you, doin in this rough city  
(I'm just here, tryin to hold my own ground)  
Yeah, I think I like how that sound  
What you say we gets to know each other better?  
(That sounds good but I don't think that I can let ya)  
I don't know, tell me is it so  
Do you get a kick, out of tellin brothers no?  
(No it's not that see you don't understand)  
(How should I put it, I got a man)  
What's your man got to do with me?  
(I told ya)  
I'm not tryin to hear that see  
(I'm not one of those girls that go rippin around)  
I'm not a dog baby, so don't play me like a clown  
(I'll admit, I like how you kick it)  
Now you're talkin baby, dats da ticket  
(Now don't get excited and chuck your own in)  
(I already told ya, I got a man)

(Chorus)  
What's your man got to do with me?  
(I got a man)  
I'm not tryin to hear that see  
(I got a man)  
What's your man got to do with me?  
(I got a man)  
I'm not tryin to hear that

(Now you can persist to play Don Juan all day)  
(But ain't nothin gonna change)  
Yeah baby, sure you're right  
I'ma break it down and do whatever I gots to do  
I tell you know, I got eyes for you  
(You got eyes, but they not for me)  
(You better use them for what they for and that's to see)  
You know what's the problem, ya not used to learnin  
I'm Big Daddy Longstroke, and your man's Pee Wee Herman  
(I got a question to ask you troop)

(Are you a chef, cause you keep feedin me soup)  
You know what they say about those who sweat theyself  
You might find yourself, by yourself  
I'm not waitin because I'm no waiter  
So when I blow up, don't try to kick it to me later  
(All them girls must got you gassed)  
A-when they see a good thing they don't let it pass  
(Well that's OK, cause see if that's their plan)  
(Cause for me, I already got a man)

(Chorus)

What am I, some crab inmate  
That just came home from jail sweatin you for a date?  
I don't want no beef, I just wants to get together  
(But how you talkin, pssssh, whatevah!)  
We can't have nothin  
(It all depends)  
Well if we can't be lovers than we can't be friends  
(Well then I guess it's nothing)  
Well hey I think you're bluffing  
(Well I'ma call my man)  
Well I can get raggamuffin  
Ya better catch a flashback remember I'm not crabbin it  
You know my style, from I'm Not Havin It  
(All I remember's an excuse me miss)  
(You can't get a guy like me with a line like this)  
Well look I'll treat you good  
(My man treats me better)  
I talk sweet on the phone  
(My man writes love letters)  
I'll tell you that I want you, and tell you that I care  
(My man says the same except he's sincere)  
Well I'm clean cut and dapper, that's what I'm about  
(My man buys me things and he takes me out)  
Well you can keep your man, cause I don't go that route  
...  
(Don't you know yu haffa respeck me)  
There's a lot of girls out there who won't say no  
(You're out for mami with your DJ Money)  
Boom batter my pockets is gettin fatter  
I wanna turn you on and excite you  
Let me know the spot on your body and I bite you  
So when your man don't treat you like he used to  
I kick in like a turbo booster  
You want lovin you don't have to ask when  
Your man's a headache, I'll be your aspirin  
All confusion, you know I'll solve em  
(I got a man)  
You got a what?  
How long you had that problem?

(Chorus)

(I got a man)

Aiyyo baby put the dial numbers or your address

(I got a man)

I told ya I treat you right

(I got a man)

Aww c'mon now ain't no future in frontin

(I'm not havin it)

C'mon Miss, oh we back on that again

Uhh, I'm not tryin to hear that see

(I got a man)

But your man ain't me

(Uhh, uhh, I got a man)

You got a WHAT?

(Uhh, uhh, uhh, I got a man)

You got a WHAT?
